

FORGIVENESS

- ⌘ Forgiveness **IS** turning to Lord God, asking to do in you what you have no power to do.
- ⌘ Forgiveness **IS** choosing to move forward, beyond how a person sinned against you.
- ⌘ Forgiveness **IS** no longer dwelling on your emotions of anger, bitterness, revenge, etc.
- ⌘ Forgiveness **IS** releasing the person to God and trusting God's way of judgment.
- ⌘ Forgiveness **IS** praying for the person to repent and respond to God's mercy before it is too late.
